Reference Regarding Fast Forward Training Ltd

Fast Forward Training has consistently delivered “outstanding” bespoke packages for our students.

In engaging and motivating those students who lack motivation and focus, Fast Forward Training have succeeded – the impact of their work and the positive changes in the students have been significant, not just on the courses delivered but in their improved attitude and motivation in school.

Fast Forward Training staff listen carefully to Kelvin staff to ensure student need is met, they have always ensured a safe, warm, welcoming atmosphere and have communicated clearly and effectively at all times.

The bespoke packages have been modified and adapted to maintain high challenge for students to meet targets and to maintain quality at all times.

Fast Forward staff take Safeguarding and Health & Safety very seriously. They are all appropriate and skilled at developing trusting and positive relationships with young people.

The facilities and equipment at Fast Forward Training are truly superb, Kelvin students are immediately inspired and this complements the skills, expertise and knowledge of the staff.

Finding any alternative learning package is difficult for any school, however I genuinely believe that Fast Forward Training offers excellent quality, excellent facilities, superb engagement via an exciting and unique product to give young people an all-round experience to gain qualifications delivered by exceptionally talented staff.

Reference Regarding Fast Forward Vocational Training Ltd

Oakfield School has worked with Fast Forward Vocational Training for a number of years who provide an engaging, exciting and meaningful alternative provision for our students.

Fast Forward Training has consistently delivered results for our students and always go that extra mile to meet each individual's needs.

It is evident that Fast Forward is making positive changes with our students, as this clearly shows and can be seen with their improved engagement and behaviour in school.

Fast Forward work closely with Oakfield staff to ensure we are aware of our students' progress and achievements whilst attending the provision and are always available to offer further support should we require it.

Staff at Fast Forward are very warm and welcoming and help students settle very quickly. The resources and facilities are superb giving students the opportunity to engage positively, which in other instances can be difficult.

Safeguarding and training are always key when choosing a provider for Oakfield and Fast Forward take this very seriously. They have always acted in a professional manner when working with our students and staff.

I would be happy to recommend Fast Forward to any school looking for an alternative provision, from the staff to the facilities, they are excellent.

Should you require any further details please do not hesitate to contact me.

Yours Faithfully
